Dear KCCP Friends and Supporters,

The Board of Directors and the Founding Members of the Korean Community Center of Greater Princeton (KCCP) invite you to support the Seventh Annual *Chuseok* Gala on Saturday, September 21st at the Rider University, Lawrenceville, NJ 08648.

This year's *Chuseok* Gala theme is "*Building The Future*," as we hope to continue to raise funds through our capital campaign for the construction fund in order to start the ground breaking of KCCP's community center on the 6.4 acres of land in Princeton that we purchased two years ago. KCCP envisions the community center to become the epicenter to preserve and promote our community's cultural identity, as well as serve as the base for social networking for future generations of Korean-Americans in the greater Princeton area.

The *Chuseok* Gala is the mainstay of the KCCP's fundraising efforts. We hope to raise \$120,000 this year, which represents a significant increase from last year. We are very proud and inspired by the grassroots fundraising that has enabled us to purchase the land this past summer and are hopeful that we can do the same fundraising for our construction fund. Your support of the *Chuseok* Gala is vital in order for the vision of a community center in the greater Princeton area to become a reality for not just for us but also for the future generations of Korean-Americans to come.

Please consider supporting this year's "*Building The Future*" *Chuseok* Gala through corporate sponsorships, advertisements, and/or Gala ticket purchases. For category details and terms, please refer to the attached sign-up sheet.

Thank you very much for your gracious support.

Sincerely,

Young Lee,  
KCCP President and 2013 Gala Chair
